

Arizona Foothills

Thursdays

Thursdays mark a night for the gals with **Diva DJ night**, featuring a different guest gal DJ each week spinning live tunes from 10 p.m. to close.

Weekends

Weekends are even hotter at Aloft Tempe with **Saturday pool parties** from noon- 6 pm. Enjoy a live DJ and cool drink specials with a \$5 cover charge for non-hotel guests. For the ultimate night out, Aloft Tempe invites locals to take the lift home after a night of cocktails and tunes with the **"lift rate."** This special rate of \$69 is available to Arizona residents.

Reservations must be made directly through Aloft Tempe by calling 480.621.3300, visiting www.starwoodhotels.com/aloft-hotels or by stopping by the Aloha Desk.

About Aloft Tempe: Opened in February, Aloft Tempe is a vision of W hotels and is the first Arizona property for Aloft, the new ultra-urban hotel brand by Starwood Hotels & Resorts Worldwide. Featuring 136 loft-inspired guest rooms spanning five-stories, Aloft Tempe is situated on 2.6 acres proximate to Tempe Town Lake, the city's top recreational, nature and cultural attraction featuring a 977 million gallon lake and beach park, and is just minutes from the Mill Avenue entertainment district.

Designed for the in-the-know and on-the-go traveler, Aloft Tempe features the ultimate in tech-savvy amenities with urban communal areas designed to encourage guests to get out of their room and mix and mingle. From touch and go kiosks offering self-service check-in to plug and play devices in each guest room that connects an array of electronic devices to a flat-panel, high-definition television, staying connected is effortless.

In addition, **re:fuel** by Aloft offers a convenient grab-and go café menu and **re:charge** features a 24-hour state-of-the-art fitness center. Complete with the latest in smart and savvy eco-friendly features, packaging-free dispensers for shower products reduce plastic waste and heating and cooling systems synched to operate only in rooms that are reserved and occupied to help eliminate excess energy consumption.
